

# Coffee-Rubbed Steak

March 22, 2016

## Ingredients

---

4 Servings

- 2    tablespoons ancho chile powder
- 2    tablespoons finely ground coffee beans
- 5    teaspoons dark brown sugar
- 1    tablespoon hot smoked Spanish paprika
- 1 ½    teaspoons dried oregano
- 1 ½    teaspoons freshly ground black pepper
- 1 ½    teaspoons ground coriander
- 1 ½    teaspoons mustard powder
- 1    teaspoon chile de árbol powder or ¾ teaspoon finely ground red pepper flakes
- 1    teaspoon ground ginger
- 1    tablespoon kosher salt, plus more

2 16-ounce boneless New York strip steaks (about 1 inch thick)

2 tablespoons vegetable oil

## Preparation

---

### Step 1

Mix ancho chile powder, ground coffee, brown sugar, paprika, dried oregano, pepper, coriander, mustard, chile de árbol powder, ginger, and 1 Tbsp. salt in a small bowl.

### Step 2

Season steaks with salt, then coat with 5 tsp. spice rub per steak (save any extra rub for your next steak). Place on a wire rack set inside a rimmed baking sheet and chill uncovered 3–6 hours.

### Step 3

Let steaks sit 1 hour to come to room temperature, which will help them cook quickly and more evenly.

### Step 4

Preheat oven to 400°. Heat oil in a large skillet over medium-high. Cook steaks 2 minutes or so on each side to create a nice crust. Transfer skillet to oven; cook steaks until an instant-read thermometer inserted into the thickest part registers 120° for medium-rare, about 5 minutes. Transfer steaks to a cutting board; let rest 10 minutes. Slice 1/2" thick.
