

Dunbar Macaroni with Beef

August 20, 2004

SAVE RECIPE

Active Time 1 hr **Total Time** 1 1/2 hr

Ingredients

Makes 8 to 10 main-course servings

1 lb boneless chuck, cut into 1/2-inch pieces

1 (14 1/2-oz) can beef broth

1(28- to 32-oz) can whole tomatoes in purée

1 medium onion, chopped

1/2 stick unsalted butter, melted

1 tablespoon Worcestershire sauce

1 teaspoon sugar

2 cups fresh bread crumbs

1 lb sharp Cheddar, grated (4 cups)

1 lb elbow macaroni

Step 1

Simmer chuck in broth in a 2-quart saucepan, uncovered, stirring occasionally, until meat is very tender, about 1 hour.

Step 2

While meat simmers, break up tomatoes by squeezing them into a bowl with purée. Cook onion in half of butter in a 4-quart saucepan over moderate heat, stirring, until softened. Add tomatoes with purée, Worcestershire sauce, and sugar, then simmer, stirring occasionally, 15 minutes, or until slightly thickened.

Step 3

Preheat oven to 400°F.

Step 4

To make topping, toss together bread crumbs, 1 cup Cheddar, remaining melted butter, and salt and pepper to taste.

Step 5

Cook macaroni in boiling salted water until al dente, then drain in a colander. Cool macaroni 3 minutes, then transfer to a large bowl. Toss with tomato sauce, beef with broth, remaining 3 cups cheese, and salt and pepper to taste.

Step 6

Transfer macaroni mixture to a buttered 13- by 9- by 2-inch glass baking dish and spoon topping evenly over. Bake in middle of oven, uncovered, 25 minutes, or until topping is golden brown and mixture is bubbling.
