Easy Tuile Leaves

By **Martha Stewart** | Updated on June 30, 2019

Yield: 6 dozen

Ingredients

2 cups confectioners' sugar

1 ¼ cups all-purpose flour

⅛ teaspoon coarse salt

10 ½ tablespoons unsalted butter, melted and cooled

6 large egg whites, lightly beaten

1 tablespoon heavy cream

1 teaspoon pure vanilla extract

Directions

Step 1

Sift together confectioners' sugar, flour, and salt in a large bowl. Make a well in the center. Add butter, egg whites, cream, and vanilla. Stir until well combined; strain through a fine-mesh sieve. Refrigerate, covered, at least 2 hours or up to 2 days.

Step 2

Preheat oven to 375 degrees.

Step 3

Place a leaf stencil in corner of a nonstick baking mat. Using a small offset spatula, spread batter in a thin layer over stencil. Carefully lift stencil. Repeat filling baking mat with leaves. Transfer baking mat to a baking sheet. Bake until tuiles are golden, 6 to 8 minutes. Using a small offset spatula, lift cookies and quickly drape over a rolling pin to cool, if desired.

Step 4

Repeat process with remaining batter. Store leaves in an airtight container at room temperature up to 2 days.
